WHY A BERG GO-KART?

Inspiring Active Play

Enjoy your ride! The classic go-kart is based on more than 30 years of manufacturing experience. You will feel, hear and see the benefits of that experience while driving this kart.

The advantage is that this system has 3 gears for optimal speed and comfort. The BERG Go-kart is definitely the safest choice for children from 5 years and older (the E-BFR go-kart is for children from 6 years and older).

1. ADJUSTABLE SEAT

Every BERG Frame has an adjustable seat. The seat can be set in 6 different positions resulting in many years of driving pleasure!

*The **ultimate**
quality go-kart!*

2. BFR-3 SYSTEM

BFR stands for: Brake, Freewheel and Reverse. The BFR system allows you to brake using the pedals, but also reverse immediately after coming to a standstill. In addition, the freewheel ensures that the pedals remain stationary while the wheels are turning. This happens completely automatically, without having to shift gears. The back-pedal brakes allow you to brake hard and fast.

The BFR-3 system is the same as the BFR system except that this system is equipped with 3 gears, making go-karting even easier.

It can be hard for children to keep their feet on the pedals in a controlled way at high speeds or when unexpected things happen. Due to the freewheel, the pedals stop turning as soon as the driver of the pedal go-kart stops pedaling. All this ensures a safe pedal go-kart that children and older people can have a lot of fun with.

3. COMFORTABLE DRIVING

BERG Pedal go-karts have several features that enable you to ride around very comfortably. To start with, the pedal carts have four pneumatic tires. Pneumatic tires ensure more grip on the road and make your ride more comfortable. Pneumatic tires also have less rolling resistance than solid tires, which allows you to drive faster.

The swing axles of the pedal cart ensures that all four of the wheels are always touching the ground, even on uneven terrains.

Due to the double ball bearings of the steering mechanism, steering is light and supple and you are very agile. The roller bearing in the wheels ensure that you can play for a long time without getting tired.

The *ultimate*
quality go-kart!

4. EASY ASSEMBLING

The BERG Pedal go-karts are easy to assemble. The rear axles must be placed on the left and right inside the casing of the chain cover. This can be done without opening the chain cover. The two bolts on both sides must then be tightened.

Now attach a few more components, such as the seat, the wheels and the steering wheel, and you're all done!

The frame has been designed in such a way that maintenance work can be done easily later on. The chain cover is easy to open, and the chain tensioner is accessible.

The *ultimate*
quality go-kart!

BERG EXTRA SPORT RED

Inspiring Active Play

The BERG Extra Sport Red is the most elaborate classic by BERG, in the striking colour red. This cool go-kart has mudguards with reflectors, but also a great front spoiler. This eye-catcher also has the BFR-3 system so that you can reverse immediately after coming to a standstill. The swing axle ensures that you can ride safely, even on uneven surfaces. Are you going to explore the neighbourhood on this go-kart?

BERG X-CROSS

Inspiring Active Play

With its sturdy looks, this go-kart looks solid, and it sure is solid! This kart is designed for great outdoor adventures. With the five-spoke rim and air filled tyres you can easily drive through the mud. An extra spatter doesn't matter. The tyres spin smoothly thanks to the ball bearings. Therefore your kart drives light. That enables you to have long and serious adventures outside!

BERG X-PLORE

Inspiring Active Play

Asphalt and concrete is not what you want. You prefer off-road. Forest, fields, all rough and undiscovered terrains. That is possible with this kart! The special off-road tyres, combined with the swing axle give you an optimal grip on rough terrain. Thanks to the unique BFR-3 system you can brake easily, and stop in case an elephant blocks the road. You can always drive backwards when the road is blocked by a tree trunk, a waterfall or a wild river.

Front fenders equipped as standard

Real off-road tyres for extra grip during your outdoor adventures

JEEP® REVOLUTION PEDAL GO-KART

Inspiring Active Play

From now on you can tackle anything, because the Jeep® Revolution pedal go-kart will never let you down! This tough go-kart has real off-road tyres. Combined with the swing axle, you are sure to have grip on every rough terrain. Because of the adjustable seat, even your parents will be able to enjoy riding (if you let them). With the adjustable steering bars you can align your wheels for a perfect alignment.

BERG also offers a spare wheel. If you use this one, you will never face any unpleasant surprises.
